## HOT STUFF

*I don't have a great story but rather a small incident for you. I'm writing because my man and I are now avid readers of your fabulous magazine. As a woman, I was hesitant about looking at men's magazines until one day when he inadvertently left an issue of **Wild 18+** in the bathroom. I have to admit that I*

## JUST CAN'T WAIT

A few weeks ago, I was at a house party with some friends of mine that... let's just say it got out of hand fast. It was a party where we were all supposed to blow off some steam, and things ended up getting steamy.

The party started out normally, you know, a lot of booze, great music, lots of bodies pressed together. As it got later, those bodies pressed closer together. Shirts started coming off, and couples started disappearing to the bedrooms. Most of my buddies had long ago paired off and hadn't been seen in a bit, leaving me alone at the kitchen bar. This one topless chick came up to me, leaning over the counter and letting her boobs just hang there for me to stare at. I'm not sure if she said anything or if I blacked out for a second. The next thing I knew, she was dragging me through the crowds and up the stairs.

Once we got to the top, we noticed there was a line of couples and groups making out, waiting to use the bedrooms. The chick from downstairs turned to look at me and told me she couldn't wait. She pushed me against the wall and quickly got on her knees, deftly opening my pants. My suddenly hard dick sprang out in her face, and, without a second thought, she pulled the shaft into her mouth and swallowed it.

I let out a loud gasp and started to thrust almost automatically, grabbing the back of her head. She let her tongue lead and dance around my head and slit, even as she let me go back to her throat. My balls tightened and slapped against her chin as she looked up at me with a devilish hunger in her eyes. And around us, the other couples, and even some who

hadn't lined up for a bedroom, were starting to rip off more clothes and press their bodies more tightly together. Soon, the halls and stairs were filled with moans and gasps.

Around me, two other women came up, one falling to her knees to help lube up my swollen cock, the other making out with me as I pressed against the wall. And by the time she let me up for air, there were two completely different girls making out as they shared my sloppy dick. The one who'd been making out with me turned around and thrust out her ass, wanting me to take it. One of the two prepping my cock moved to her ass and started eating her out, and when I finally got a chance to slide my dick inside, it was the smoothest trip I'd ever taken.

It didn't take me long to let go and shoot deep inside her, and I finally got a chance to take a breath and see what I'd help start. The entire house was now covered with bodies pressed against each other, taking one another. Downstairs, four girls had lined themselves up along the edge of the pool table, asses out for a line of guys to take a few pounds inside them, while another at the end of the line looked like she was sucking them dry.

It didn't take long for my dick to start stirring again. Another girl grabbed me and threw me down on the couch and quickly mounted my dick, riding me before I realized what was happening. She let her boobs hang low in my face and moaned loud in my ear as I felt her pussy grabbing and tightening around my throbbing cock. Just as I was getting close again, she leaned down with a hard kiss and I felt her slide off. I blinked to realize there were a few other guys on the couch next to me, and that the girls on all our laps had just traded places. A minute ago, I had a blonde with a round face and suddenly I had a sculpted brunette who felt like she gave lap dances for a living. Three, maybe four different girls passed over my lap, none of

them quite letting me finish, which only left me aching for a second before my dick found a new pussy giving it care. The sounds of screams all around were getting louder as everyone was hitting their climax, and eventually, I was able to unload in a petite dark-haired girl with a bright smile who looked like she'd won the jackpot.

The party continued late into the night, as people kept randomly making out, touching each other, and taking one another, but nothing quite like that wave of everyone sharing one another. I'd never seen anything like it, and I don't expect to ever see any of the girls who enjoyed me again, but it's a wonderful memory I'll never ever forget.

## MOVIE TIME

I've never considered myself to be much of a "dater." I've never really had much time or care for them, and they feel like they cramp my style. But there was this one girl from work. Large, bright blue eyes, flowing golden hair, petite frame that only emphasized her perky tits. Surprisingly, she didn't turn me away the first time I hit on her, but she also said that nothing else happens without a date. So, I was like, alright, I can sit through a dinner or movie with her and see where it goes.

We got through dinner, and I was starting to get to know her a little better, and by the time we were walking towards the movie, she let me put my arm around her and hold her close. I was a little surprised at how fast she let me move, but then again, I've always been a bit of a charmer. Yet, even then, I had no idea what was in store for me.

She wanted to see something loud and dark, so we picked a horror instead of the rom-com I was expecting, which was another pleasant surprise, and I found that she was actually growing on me. We held hands through the credits before her hand slipped towards my leg

in the first few minutes. I avoided guiding her and felt shockwaves surge through me as her fingers slowly danced their way up my thigh until she found my already swelling meat.

It took everything that I had to avoid screaming out as she let her fingertips explore, even through my jeans. I chanced a glance over at her to see a roguish, devilish smile stretching from ear to ear. And, with her free hand, she tauntingly raised a finger to her lips demanding I stay quiet.

She then slid out of her seat and on her knees between my legs. I looked around; even with all my experience, I'd never had anything like this happen in public. There were a few other people in the theater, but no one in our row, and when I looked back at her, I saw she'd lowered her top down under her boobs. They popped up and stared at me, while her wicked expression only warned me again to stay quiet. I gulped, fixing my gaze at her as she reached out to undo my pants. As soon as it was released, my cock stood pointing straight up, throbbing with anticipation. She eyed it hungrily, like she was sizing it up.

Her touch was gentle, which only sent more surges through me. First, light touches, just with the fingertip and edge of the nail, grazing along the skin of both my shaft and balls. I threw my head back, gripping the armrests to force myself to stay quiet. Even when I looked away, I could feel her watching me, measuring

*am in love with the women in your photos. They seem to have a confidence about them. They got me hot and by the time I finished looking them I had to masturbate right away.*

*So I sat on the toilet with no underwear on and slid my hand down there. I had your magazine, the one with Janice Griffith, on my lap and found myself coming after only a few minutes. My boyfriend doesn't even get me off that fast. I'm thinking I may surprise him one night and bring*

every reaction. It felt like she knew exactly what button to press before I could think about it, driving me to the edge.

Finally, she leaned forward, but instead of taking the shaft in and just finishing me off quickly, she started making out with the head, her tongue swirling around until it reached the slit, where it started diving in and playing. Every now and then, she gave my dick a couple of tugs, but she took her time, like she was somehow challenging herself and me. I felt my balls getting heavier, and even that she seemed to notice, reaching out and starting to juggle them with her free hand.

It was several minutes of this, how many, I'm not sure. I had already completely lost track of the movie and was single-mindedly focused on getting my rocks off. But she had me completely.

Anytime I felt even remotely close, she grabbed the top of my ballsack and started tugging, which brought me back down, even if only for a minute, but it was enough to continually prolong her hedonistic pleasure.

When she finally started to slide the rest of my dick into her mouth, she kept a firm and on my chest. I wasn't allowed to thrust or push,

which only intensified the agony. I wanted to pound her; maybe pile-drive her mouth and force everything out, but she had control. I reached out and ran my fingers through her hair, tugging a few times when she edged me, though I think that only made her happier.

By the time she was ready for me to finish, I was doing everything I could to avoid squirming in the seat. She took my dick deep in the back of her throat, and it was the gaze up, almost telling me she finally wasn't going to stop me, that let me explode at last. Helping after helping squirted out, with her tongue still dancing around my shaft and head even as I flooded her mouth. She took every drop and swallowed it before sitting back up in her seat and continuing with the movie like it was nothing.

We have another date next week. Maybe there is something to this dating thing.

She grinned and kissed me passionately. I tasted the remains of my cum on her lips and on her tongue. We cuddled the rest of the night away knowing that we'd fuck again before she left. But tonight it was about the warmth and sharing between two people from worlds apart now together and soon to be parted once again.

• Harry S. – in Ohio

*the issue into our bed. I have a feeling that once we get over the embarrassment of looking at the pictures together, they'll be a huge turn on! If we get a little more adventurous, I'll go get the laptop and watch the free videos, too. So keep up the great work, and please don't change a thing.*

# EYE CANDY

*Brian wanted to shuck those bottoms, peel them from her legs and bury his face in her twenty-something pussy.*

*The brunette in the bikini was a sight to behold. She lay on a chaise lounge, her eyes concealed behind fashionable sunglasses, her creamy skin wet from a recent dip in the pool. He studied every delicious inch of her body...*

His heart hammering, Brian peered through the eyepiece with mounting excitement. The swimming pool teemed with life, providing him with all manner of eye candy. He had lived in many apartments over the years, but this one was the best by far. His unobstructed, second-floor view of the courtyard pool provided him endless hours of high quality entertainment.

The sliding glass door was fitted with vertical blinds, facilitating his voyeurism, effectively concealing him while granting a narrow gap for his telescope. The door opened onto a small, seldom used balcony littered with pine needles from yesterday's thunderstorm. The heavy winds and torrential rainfall had been long overdue, bringing relief from a merciless two-week drought/heat wave.

Sunday's temperature was a blessed ten degrees cooler than Saturday's, and the humidity was low. Tenants were taking full advantage of Mother Nature's kindness.

And Brian was too . . .

The brunette in the bikini was a sight to behold. She lay on a chaise lounge, her eyes concealed behind fashionable sunglasses, her creamy skin wet from a recent dip in the pool. He studied every delicious inch of her amazing body, licking his lips as he did so.

Her nipples pressed against the wet material of her top, titillating Brian as he imagined rubbing them, then sucking them. Hers were all-natural, smallish tits, firm and perfectly shaped. His gaze worked its way down to her flat tummy before settling on the skimpy red triangle between her slender thighs.

Brian wanted to shuck those bottoms, peel them from her legs and bury his face in her twenty-something pussy. Surely she tastes like honey, he thought. Did she have a hairy pussy? Shaved? How about a clit ring?

A fat guy suddenly barged into the circular frame, obstructing Brian's view. The hair on the fat guy's back matched the ring around his head, contrasting with his sun-burned crown. He deposited his considerable bulk on the chaise lounge beside the brunette's, sitting there with a stupid grin on his face and smoking a cigarette.

"Move it, fat boy," Brian muttered. "You're fucking up my fantasy."

But the tub of lard stayed put, and it wasn't long before his dumpy lady friend climbed out of the water and joined him. The dumpy lady friend lit a cigarette of her own. The brunette gathered her things, stuffed them inside a beach bag, and vacat-

ed the pool.

His face pressed to the eyepiece, Brian focused on her retreating ass, emblazoning it to memory as she walked away. Fuel for the spank bank, he mused, something to get me through the night, something to tide me over until tomorrow.

Monday meant the return to his job. Brian managed a popular chain restaurant famous for its fajitas. He detested the work, and had it not been for the excellent benefits he would've moved on years ago. But it was hard to leave a constantly rotating roster of nubile waitresses and barmaids, most of whom were eager to please him.

Today was typical in that he was the first to arrive. It was atypical in that he had awakened in a stifling apartment. The ac had conked out while he was sleeping. He had already called his landlord and left a message.

Now he sat in his cramped office, looking forward to his morning nooky. Nancy didn't disappoint. His newest hire knocked on the back door. Brian let her in, relocked the deadbolt, and returned to his office.

As a waitress Nancy didn't have to clock in until ten, but morning was the only time they could be alone as nights were reserved for her boyfriend. This was fine with Brian. He wasn't looking for a relationship. And it was nice to start the workday on a positive note.

"You love my cock, don't you? Say it, Nancy. Say you love my cock."

"I love your cock," Nancy told him.

Brian had the blonde waitress bent over his cluttered desk. Nancy's denim skirt was pushed up over her ample ass, her lace panties stretched between her ankles like a piece of taffy.

He plunged his cock in and out of her pussy, pounding her good and proper. Brian loved Nancy's big ass,

the softness of it, the way it jiggled and shimmied when he plowed her from behind. He grabbed her curvy hips, squeezing the pliant flesh as he hammered her hole with ferocity.

Nancy was a good piece of ass. Still, he found himself thinking about the brunette in the red bikini. Yesterday afternoon, just minutes after she had left the pool, he had dipped into the spank bank and jerked off, enjoying one of the most powerful orgasms of his life. He wondered if she had a boyfriend. If so, he was one lucky bastard.

"Finish in my mouth," Nancy said. "I want to swallow your cum."

Brian withdrew. The waitress turned around and knelt, devouring him hastily. Nancy was no slouch in the blowjob department. She gave good head, sloppy head, embracing the act like a devout dick sucker. On this particular morning she was in good form. Her lips cinched around his turgid pole, she whipped her head back and forth. Brian swelled inside her mouth, getting harder and harder as she gobbled him with glee.

His member was a pipe bomb set to explode. Excited by Brian's forthcoming detonation, Nancy fingered her pussy frenetically, groaning and moaning, her utterances garbled by a mouthful of man meat.

Brian grunted. "Oh, shit!"

His features twisted as he pumped her full of cum. Nancy received his

load with gratitude, ingesting every last drop as he emptied his balls inside her mouth. She was thinking of today's lunch shift, hoping she made enough in tips to pay her electric bill.

Brian's thoughts oscillated between two disparate poles—his broken ac and the brunette in the red bikini.

The gregarious night manager showed up at three-thirty in the afternoon, Brian's cue to clock out and go home. Driving to his apartment, he found himself riddled with anxiety. His landlord had failed

to call him about the ac. Silence usually spelled bad news. The damned thing was probably beyond repair.

They would have to order a new part, perhaps an entire unit, and that would take days. Heat rises, Brian thought. He was going to roast in his second-floor flat.

But his fears proved unfounded. Stepping into his apartment, Brian's face was kissed by a refreshing blast of cool air. His place felt wonderful. Clearly the ac had been fixed for several hours. The maintenance ticket was on the kitchenette counter.

"Freon added," Brian read aloud.

A phone number and "CALL ME" completed the notation. Brian was flummoxed; why should he call the maintenance man? The repair had been completed. Fuck it, he thought, opting to take a shower. It had been a long day at the restaurant and he was feeling especially grimy.

It wasn't until after Brian had showered, toweled off, and slipped into his most comfortable pair of shorts that he noticed the addition to his telescope.

A red bikini bottom had been draped over the eyepiece . . .

He recoiled when he saw it, recoiled with mouth agape. He recognized the skimpy garment immediately, thoughts of the hot brunette flashing through his bewildered mind. Was she the responsible party? Had she gained entry to his

apartment and left him a present? Who else could it have been?

Panic seized him.

She saw me yesterday, he reasoned, saw me spying on her and somehow obtained a key to my place. Was she mad? Turned on? The bikini bottom seemed to indicate the latter, but not necessarily. Brian was torn. He didn't know what to do.

Voyeurism was a crime. The jails were full of Peeping Toms. Shit, he thought. She might have already notified the police. Maybe he should pack a bag and hit the road.

Then it hit him, a possibility he hadn't considered. Brian peered at the maintenance ticket, regarding the number with intense scrutiny. "Call me," he muttered. Maybe, he thought, just maybe.

Brian picked up his smart phone and punched in the digits.

Twenty minutes elapsed between the end of their phone conversation and her arrival at Brian's apartment. The brunette, whose name was Tara, showed up in her work attire, the battleship gray coveralls worn by the apartment's maintenance crew.

Brian offered her a beer, but she declined.

"Don't mind if I do," he said, plucking a cold one from fridge.

They stood there in his tiny kitchenette, eyeing one another coyly. The two of them had hashed it out over the phone. Tara, having landed a job with the apartment complex last week, had come to fix his ac, noticed the telescope, and put two and two together.

"So you didn't actually see me watching you on Sunday?" Brian had asked her. "Not yesterday, no. But when I saw the telescope this morning I figured you had been watching me. Not to be a conceited bitch, but I was the nicest piece of poolside eye candy out there." Unless you're into fat guys with hairy backs, Brian had thought, keeping the comeback to himself.

Now he worked on his

beer, wondering what she had on under those coveralls. Tara said, "Let me help you finish that." She swiped the beer from his hand and downed it in one gulp. Then she placed the empty bottle on the countertop and unzipped her coveralls, letting the baggy suit slide down her body.

She wore the red bikini top.

And nothing else.

"Look familiar?" she asked him.

"Very," Brian said. "But you seem to have misplaced your bottoms."

"Who needs bottoms," she replied.

"My thoughts exactly," he told her, untying his drawstring.

His shorts hit the floor. Brian stepped out of them, allowing Tara to shuck his boxers. She knelt before him, grasping his cock with one hand while sucking his balls. Moving her hand up and down his shaft, she serviced his nuts with meticulous care. Brian moaned, watching her tug his tool with increasing speed, watching her inhale his sack, appreciating her superlative teabag technique.

Tara lowered her free hand between her legs and rubbed her shaved pussy, sliding two fingers inside her fuck hole. Brian was most thankful for the repair job she had done on his ac. Otherwise the heat would've been unbearable.

"You saved the day," he uttered breathily, "in more ways than one."

Tara came up for a breather. "My

pleasure."

Brian followed her to his bedroom. Standing at the sliding glass door, she bent over and peered into the telescope.

"See anything good?" Brian asked her.

"Not a soul," Tara remarked.

"Weekdays are like that."

"You should know."

"What can I say? I like to watch."

Tara untied her bikini top and draped it over the telescope beside her bottoms. Brian eyed her tits hungrily. Perfect half melons topped with turgid brown nipples. He lay back on the bed, stroking his cock as she straddled him.

Positioning her hips just so, she lowered her cunt, impaling herself without the aid of her hands. Tara rode him expertly, achieving a nice slow grind. Brian fondled her tits, squeezing and caressing the firm flesh, rubbing and pinching her responsive nipples.

Tara's pussy gripped him in its snug embrace. Brian moved with her, thrusting up into her tight crevice. He dropped one hand to her clit, pressing and prodding the little nubbin, upping her pleasure considerably. Tara whimpered, riding him harder and faster, bucking like a cock-drunk cowgirl.

She announced her orgasm with a piercing scream, this a few seconds before Brian exploded inside her, filling her cooze with cum.

Having recovered, they lay side by side, staring at the ceiling while Tara smoked a mentholated cigarette.

Brian said, "So you live here rent free?"

"Sure do," Tara replied. "Nice job perk, huh?"

"I'll say."

She left a short time later, taking her red bikini with her. Brian watched her for the remainder of the summer, getting a charge each and every time she looked at his sliding glass door, raised her sunglasses, and winked.

After a long day in a tight suit, Megan needs nothing less than to let her hair down and let loose. With her man inside her she'll get just that. A whole evening of skin to skin, lip on lip, and hips into hips, awaits these two, eventually leading to the kind of orgasm that'll make all her troubles fade away.
